ABOUT US

Pathway From Boys To Men, Inc.

(Partnership, Advocacy, Talent, Health, Wealth, Academics & Youth)

OUR PROGRAMS

Pathway From Boys To Men, Inc. (PFBTM) assists individuals with resources to find full-time or part-time job placement, career training, housing assistance, and mentorship. PFBTM also provides support services for housing resources, and transportation assistance.

Our Careers-Quest Program (CQP) is a workforce development program designed to train, educate and build highly effective skilled workers. Careers-Quest Program is a pre-preparatory program that focuses on the introduction to construction, through construction trades, apprenticeship programs, and career preparation and training as well as life skills classes.

OUR MISSION

Our mission is to provide resources and support to the underserved men, women, and youth in our community.

Our programs are designed to equip individuals with community resources and education assistance, and to increase their self-confidence -- things that are needed to live happier, healthier and more productive lives.

We have found that the paths that lead to displacement, violence, drug addictions, or imprisonment can be changed by the fellowship of successful role models.

OPENING PRAYER

BISHOP FRANK A. RUSH

Houston Praise & Worship Center

Two favorite scriptures:

A. "I can do all things through Christ which strengthens me." Phill. 4: 13

B. "And we know all things work together for good to them who love the Lord and are called according to his purpose". Rom. 8:28

Born to Rev. Otis L. Rush Sr. and Mrs. Alma Rush on Dec. 26, 1951, Bishop Frank A. Rush is the 4th of 6 children born to this wonderful set of parents.

Both his parents were proud graduates of A. J. Moore High School! All the Rush children are AJMHS alums: Rev. Otis L. Rush Jr. (1964); Sherryl Rush Johnson (1966); Lt. Cmdr. (R) Robert J. Rush Sr. (1968); Bishop Frank A. Rush (1970); Ronald C. Rush Dec'd (1971); and Linda Rush Watkins (1973). Bishop Rush served as 1970 Class President, which he calls "the Best Class!" He was a member of the Choir, Band and other organizations. He attended Texas Southern University (TSU) from 1970-72 on a Band Scholarship (trombone), pledged Phi Beta Sigma Fraternity, and was named "Sophomore Of The Year!"

From 1972-74 Bishop Rush attended and graduated from U. C. Berkeley on a Crown-Zellerbach Scholarship with dual Bachelors Degrees in English and African-American Studies. He not only made the Dean's List but graduated "with highest honors".

Rush attended Thurgood Marshall School of Law from 1974-77 on an Earl Warren Legal Training Scholarship and served as President of his graduating class. Bishop Rush was hired by the Law School upon graduation and served for 2 years as Placement Director from 1977-79. He was instrumental in getting TSU Law students hired all over America. The students & school honored him with the "Outstanding Placement Director Award" in 1979. Rush practiced law in the Criminal, Personal Injury and Family Law fields from 1979-2022, and is licensed in State and Federal Courts. Recently, he retired after 43 years of practice. He is now considered "Emeritus" status with the State of Texas.

Bishop Rush was called into ministry by God in 1985 and preached his first Sermon on Feb. 9, 1986 at Mt. Horeb MBC under the outstanding leadership of Dr. S. H. Smith Sr. Title: "Message To Modern Man: I'll Rise Again!" Rush calls Pastor Smith the "Best Pastor in America", at the youthful age of 92! Bishop Rush was installed as Pastor of True Missionary Baptist Church - now Houston Praise and Worship Center (HPWC) - on Oct. 9, 1987 and has served there continuously with his wife for life, Dr. JoAnn Vallie Rush, until her passing July 25, 2021. HPWC is an international Church with locations in America, Kenya, and Pakistan. Bishop Rush has been recognized by the State of Texas Legislature as a "Senior Religious Advisor".

Bishop Rush is extremely thankful to God for the church & ministry help that was given by his wife. Dr. JoAnn Rush earned two Master's and two Doctorates in Ministry and Theology. She was known internationally as an outstanding Praise Dance Teacher, Preacher & Praise Banner maker. She authored 13 books.

The Rushes have 2 wonderful children, Gerren and Cherish, both are teachers, an amazing daughter-in-love (Monyce), and 3 wonderful grandchildren (Zoë-8, Calen-6, and Zuri - due in September). Gerren is an author and both he and Cherish teach liturgical dance internationally. Monyce is a Licensed School Psychologist & owns a baking business. Zoë and Calen have advanced degree belts in Taekwondo.

Bishop Rush has received multiple Honorary Doctorate Degrees in Ministry, numerous Public Service Awards and has served as President of his Civic Club, an organization focused on improving their local community and mentoring. Two of his favorite church sponsored activities are the annual U. S. Armed Forces Day Celebration which has grown to include over 60 vendors this year and included Houston Mayor Sylvester Turner as this year's Keynote Speaker; and the newly organized, Royal Ambassadors Community School, which maintains a paid teaching staff but is tuition FREE for students.

Rush is the 3rd of his siblings to speak at the A. J. Moore HS Reunion behind Rev. Otis Jr. and Sherryl. He is an author, song writer, poet, and has served as a News Paper Editor and Deejay. He and Dr. JoAnn co-hosted a highly rated Christian TV Show for several years.

Bishop Rush is most grateful to God for his salvation, family, friends, journey and life purposes. He feels blessed to be called and used by God to serve and help others, especially those he calls "the least, the last, the lost and the unloved" with the love of Jesus Christ!

BISHOP FRANK A. RUSH

CONGRATULATORY REMARKS

DR. JOSHUA BECKLEY

Senior Pastor
Ecclesia Christian Fellowship

Six months after becoming a Christian at the age of 16, Pastor Beckley began preaching. He accepted his call to preach at 18 years of age and later became licensed in 1976. He began to follow God's will for his life. Leaving home in October 1977 for California, he left by faith, not knowing where he would stay or whom he would meet. Pastor Beckley left because God had called him. Pastor Beckley was ordained in 1980. His education extends to a Doctorate in Ministry from The Centre for the Study of Biblical Research, a Masters in Divinity from the International School of Theology and a B.A. in Music Education. Before attending Golden Gate Theological Seminary, Pastor Beckley spent many years and many hours in self-education, learning the Greek and Hebrew languages, the disciplines of Hermeneutics, Homiletics and Exegeses. Through his dedication he has developed an extensive library of Biblical resources.

Pastor Beckley has served in full-time Christian work since 1977. He has worked with Dr. E. V. Hill at the World Christian Training Center as the Assistant Director of Activities in charge of High School Ministries. In less than one year he had Bible studies at eight of the inner city high school campuses which included Dorsey, Locke, Manual Arts, Los Angeles High, Crenshaw and Morningside.

In 1979 he came on staff at First Baptist Church of Fontana, which is now Loveland Church. He served there for twelve years as Youth Pastor, Elder, National Youth Director for Harambee, Pastor of Visitation, Executive Pastor of Discipleship Ministries, and Executive Pastor of Counseling. Over the years he wrote extensive articles for youth magazines such as "Group." Pastor Beckley also wrote the first step booklet of the Three Steps to Christian Maturity Discipleship program at Loveland, and taught Step One, Wednesday night Bible Study and periodically preached on Sundays. In 1991, the Lord gave Pastor Beckley a vision of "Picking up the Broken Pieces in the Lives of Believers" from which our current ministry was born.

Pastor Beckley is presently the Senior Pastor of Ecclesia Christian Fellowship and has been the Pastor since its beginning. In his current ministry, as in his past ministries, Pastor Beckley is concerned about the well-being of people from all walks of life. He dedicates his life to spreading the Gospel of Christ to all he encounters. He encourages his membership to live a life that exemplifies Christ and shows forth the love which only comes from Christ.

Pastor Beckley has received numerous awards and recognitions for his service to the Lord Jesus Christ. His present extra-ministry responsibilities are Co-founder of the Inland Empire Concerned African American Churches (I.E.C.A.A.C.), Member of the Board of Trustees for Christian Community College in Redlands; and Member of the Alliance for Education; Member of the Century Club of San Bernardino City Schools, Board Member of Community Action Partnership; also a member of several other ad-hoc committees that are geared towards changing lives and conditions for our people and our communities.

However, Pastor Beckley says his greatest accomplishments since he met Christ, are his marriage to Lynda Carol; his three wonderful children Anton, Aliea, and Anell; and his grandchildren Cameron, Jayden, David, Dominic, Christian, Lailani, Calise, Alayna, Jalen, and Eva.

GUEST SPEAKER

JOE BACA, JR.

**Supervisor
San Bernardino County**

Supervisor Joe Baca, Jr. is a 40-year resident of Rialto. He was raised in the City of Rialto, attending our local schools and our local colleges, receiving his AA degree from San Bernardino Valley College, BS degree from Cal State San Bernardino, a Master's degree in Public Administration from Cal State San Bernardino, and a second Master's degree in Education from Azusa Pacific University.

His educational experience has been supplemented with a seven-year career in law enforcement and 15 years of experience teaching in our local classrooms.

Supervisor Baca has served on the Rialto City Council, Rialto City Council from 2007-2020 and has been a local leader in the recent economic transformation of the city. He helped convert the Rialto Airport into the Renaissance Market Place and turned the blighted Golden Embers into WSS Shoes and Aldi Market Place. These important projects have helped provide more job and shopping opportunities for our residents.

Joe has also worked diligently to increase funding for senior programs, implement after-school programs for our youth, and increase funding for our Police and Fire Departments. Baca's strong presence and support for our youth programs and park services in the city of Rialto come from the positive experiences of participating in many of those same programs in his youth.

Prior to serving on the City Council, Joe was a member of the California State Assembly (2004 -2006), where he proudly had nine bills signed by the Governor. He worked hard on a variety of issues he felt important to our state, including veteran benefits, education, public safety, and local government improvements, including downtown revitalization efforts. He and his wife, Jennifer, have been married 18 years and have three children and three lovely grandchildren.

FOUNDER/CEO MESSAGE

JAMES RANDOLPH

FOUNDER/ CEO
Pathway From Boys To Men, Inc.

As the Founder/CEO of Pathway From Boys To Men, Inc. it is with great pleasure to host this year's event. Our theme, Celebrating 17 Years of Serving The Community, speaks to the commitment and dedication we have to help those individuals who are looking for another pathway. Often times we only know what we see. Therefore, it's our job to show that there are other options, and other paths to take that will lead to a better future.

This evening we are proud to congratulate our 2022 honorees: Dr. Joshua Beckley, Mayor Acquanetta Warren, Senior Pastor Harry Bratton, Amazon, David Yniguez, Connie Caruthers, Sha Price, and Lola Cromwell.

I would like to express a special thank you to the Mayor of Fontana, Acquanetta Warren, and Keynote Speaker, A. C. Green. I would also like to extend that same sentiment to all PFBTM Board Members and volunteers for their countless hours and dedication to making this event possible. And last but certainly not least, I would like to thank God for the valleys because, without the dark valleys in my life, I would not be the person I am today. Lord, thank you for giving me the passion, knowledge, and strength to do your deed.

Finally, I extend my gratitude to all our guests, community partners, and sponsors for taking the time to be a part of this Gala event, and for your support during these 17 years. We could not do it without you!

James Randolph

Please enjoy yourselves.
James Randolph, Founder/CEO
Pathway From Boys To Men, Inc.

LIFETIME ACHIEVEMENT AWARD

ACQUANETTA WARREN

MAYOR OF FONTANA

Acquanetta Warren was elected as the City of Fontana's first female and African American Mayor in December 2010 and re-elected in 2018. Since taking office, Mayor Warren has and continues to be a strong advocate for economic development, jobs, affordable housing, public safety, a healthier community, and fiscal integrity. Under the Mayor's stewardship, the City of Fontana was named by RentCafe the fourth Most Prosperous City in the U.S. (with a population over 100,000), as well as the Most Prosperous City in California. This acknowledgment followed the 2017 Fiscal Times' rating of Fontana as one of the financially strongest cities in the nation. From the day the Mayor was inaugurated, she has emphasized that Fontana is "Open for Business" and works directly with the Fontana Chamber of Commerce to support the needs of the business community.

This effort was rewarded in 2017 with the city being ranked fourth in California in the five-year annual growth of retail sales. During Mayor Warren's time on the City Council, there has been significant economic growth and infrastructure improvements including four reconstructed freeway interchanges resulting in reduced traffic congestion, safer streets, and ease of facilitating the movement of goods through San Bernardino County's "Inland Empire." In order to continue this economic growth, Mayor Warren began the "Mayor's Manufacturing Council," which saw more than 500 women attend the first annual Inland Empire Women in Manufacturing event. Realizing that a strong economy requires a healthy community, Ms. Warren founded the award-winning program, Healthy Fontana.

The program promotes an active community lifestyle and teaches smart nutrition choices. In 2016, the United States Conference of Mayors (USCM) named the City of Fontana the number one mid-sized city in the nation for eliminating childhood obesity. Ms. Warren has received numerous recognitions and several awards for her efforts throughout the Inland Empire, including 2017's Health Champion Award for Southern California Elected Officials from the California Center for Public Health.

A strong community also needs to feel safe. This is why public safety is among the Mayor's highest priorities. In 2013, Fontana was named one of the top 20 safest communities in the country.

Continuing to keep the community safe, the Mayor holds open conversations connecting the community with the police officers that serve to protect them so that the police officers can listen to the needs of the community. This is extremely important and helpful given the circumstances that we currently face.
